

Water, Water.....Everywhere? Anywhere? Who's Going to Pay?

Thursday, August 11, 2011 ~ 8:00-10:00am
190 N. Independence Mall (offices of DVRPC), Philadelphia PA

We are now learning the true price of water in the context of the region's aging infrastructure system and in the current economic and political climate -- how it's managed, new regulations impacting development, delivery and distribution systems, and innovative financing and privatization models. Is it "bitter medicine" that's good for us? Hear from **Nicholas DeBenedictis**, Chairman, President and CEO of Aqua America, the locally-based publicly-traded company providing drinking water and wastewater services for 3 million people in 14 states including PA and NJ; **Dr. Paul K. Marchetti**, Executive Director of PENNVEST, the Pennsylvania Infrastructure Investment Authority which funds sewer, stormwater and drinking water projects; and **Howard Neukrug**, Philadelphia's Water Department Commissioner. **Joe Manko**, partner, Manko Gold Katcher & Fox, will moderate.
