Please join the Young Leaders Group of the Urban Land Institute (ULI) Seattle District Council for a panel discussion and networking event for young professionals and current students in real estate development, finance, public policy, land use and real estate law, engineering, architecture and planning. This event will provide an excellent opportunity to meet other young professionals, learn about how they found their current positions, find out what they do on a day-to-day basis and how they're growing professionally, and gain valuable insight into the current market.

This panel is presented by:

MacMillan Associates Consulting, The UW Foster School of Business Career Center, and the UW Real Estate Club

Moderator

Bob MacMillan, *Principal, MacMillan Associates Consulting*

Bob MacMillan has over 29 years of successful senior level executive experience with several of the region's largest real estate services and development companies.

Panelists

Matt Anderson, *Principal, Heartland LLC*

Matt leads teams engaged in property development, strategic planning, market/financial analysis and economic development projects throughout the Western United States and Mexico.

A.P. Hurd, *Vice President, Touchstone Corporation*

A.P. is responsible for corporate and project strategy. Prior to joining Touchstone, she was Director of Strategic Development at McKinstry Co. where she helped develop their Total Cost of Ownership consulting service and Transition to Sustainable Operations services.

Aaron Laing, *Attorney, Schwabe, Williamson & Wyatt*

Aaron joined Schwabe in 2007 and focuses his practice on land use and litigation, including entitlement issues.

Dan Lowen, *LEED AP, President, Caerus Realty Capital LLC*

Dan has overall responsibility for the Caerus's acquisition and development activities. Through the course of his career Dan has successfully executed in excess of \$1 Billion in real estate investment. Previously, he has been the Vice President of Acquisitions for Kennedy Real Estate Counsel and Urdang Capital Management.

Jon McNamara, *ASLA, LEED AP, Senior Associate, Weisman Design Group*

Jon is a landscape architect with extensive experience in a wide range of projects, including large scale educational, commercial, and residential. As a creative designer who likes to push the envelope, Jon finds his abilities are a perfect fit for the urban infill projects he enjoys the most.

Alison Van Gorp, *Urban Policy Director, Cascadia Land Conservancy*

Alison has teamed with diverse stakeholders, to lead the development of urban policy and the effective planning tools necessary to create vibrant, livable communities throughout the region, while conserving working farms, forests and natural areas. Alison oversees efforts to advocate for regional, state, and federal policy to support well-planned growth and directs the Cascade Agenda Cities Program.

The mission of the Urban Land Institute is to provide leadership in the responsible use of land and in creating and sustaining thriving communities worldwide.
