

“In The Know” Breakfast Series

Cleveland Clinic Lou Ruvo Center for Brain Health

The Cleveland Clinic Lou Ruvo Center for Brain Health consists of 60,000 square feet of Medical Office Building, Wolfgang Puck Kitchen, Museum of the Mind and Activity Center. The project is designed by the world-renowned Architect, Frank Gehry of Gehry Partners. Time magazine has named Frank Gehry the world's "greatest living architect." Come tour with the General Contractor of Las Vegas' most unique facility.
