And a panel of leading real estate investors and experts

ULI Atlanta presents the Real Estate Outlook 2012 conference, featuring insights from leading national and local experts. The event will feature a presentation on *Emerging Trends in Real Estate 2012*® as well as a special session on Atlanta's real estate outlook.

Emerging Trends in Real Estate is a trends and forecast publication with a 32-year history, and is the most highly-regarded and widely-read forecast report in the real estate industry. This conference will provide an outlook on U.S. investment and development trends, real estate finance and capital markets, property sectors, metropolitan areas, and other real estate issues. The report draws on formal and informal surveys of real estate executives, investors, developers, and market experts around the U.S., including survey responses from over 500 real estate executives and personal interviews with over 125 industry leaders.
