President, Cornerstone Companies, Inc.

Principal, Barrett & Stokely Asset Management Company

Bob Whitacre has been involved in the commercial real estate development business for almost 30 years. After graduating from Indiana University with a BS and MBA degree in real estate finance and serving as an officer in the United States Army, he began a real estate development and consulting career. Over the years he has developed approximately 45 office buildings including medical office buildings, surgery centers, endoscopy centers, cath labs, imaging centers, diagnostic centers, sleep labs, clinical labs and other types of specialty care facilities. He has also worked with a number of hospitals and health care systems. He currently has 225 physician/partners who are involved as owners and tenants in the projects. A number of the physician/partners are in multiple projects. He has also been involved in the development of suburban office parks, hotels, golf course communities and numerous other commercial real estate ventures. He has completed consulting work in the form of lease evaluation and negotiation for numerous Midwestern companies and worked throughout the United States doing site development for a large international real estate company. Through Barrett & Stokely Asset Management, he has been involved in providing asset management services for over 50 properties during his career. He has served on the Board of Directors of several charitable and educational organizations in the Indianapolis area.
