PART 10

REDEFINE VANCOUVER?

Three Generations of City Planners Tell Us What They “Really” Think.

Join **Brent Toderian**, **Ray Spaxman** and **Larry Beasley** as they share their thoughts on the future of Vancouver. Nodal densification, placemaking, rental housing and the move to diversify housing types to facilitate affordable housing in Vancouver. Learn what these urban planning experts think about where we are headed and where they think we should be going.
