

John Purcell
Senior Vice President & Portfolio Manager

John Purcell is a Senior Vice President and Portfolio Manager, Investment Management at Bentall Kennedy, with responsibility for the overall portfolio performance and asset management activities of the commercial and multi-residential properties managed by Bentall Kennedy on behalf of bcIMC.

John has 20 years of varied experience in commercial real estate and investment. Prior to joining Bentall in 2004, John was a senior executive of CHIP REIT, a Canadian REIT focused on investment and management in the hotel sector, where he was responsible for acquisitions and real estate management activities. John started his career as a lawyer with Davies, Ward & Beck in Toronto, where he focused on real estate and asset-backed financing and participated in numerous leading real estate financing and restructuring transactions. John holds an MBA from the University of British Columbia, an LL.B from the University of Toronto and BA in economics from the University of Saskatchewan.
