**The Everyman Theatre**

This January, six years of planning, preparation and anticipation culminate in the grand opening of a brand new Everyman Theatre in the heart of downtown Baltimore. It's a milestone that has restored 315 West Fayette Street to its original purpose as a live performance venue.

Everyman Theatre is a professional theatre company with a resident ensemble of artists from the Baltimore/Washington area dedicated to presenting high quality plays that are affordable and accessible to everyone. The new Everyman will open with the Baltimore premiere of the 2008 Pulitzer and Tony Award-winning play *AUGUST: OSAGE COUNTY*.

Join ULI Baltimore for a once in a lifetime exclusive look into Everyman's new home and a tour of the theatre.

Speakers: Vince Lancisi - Founding Artistic Director – Everyman Theatre
