

**SHELDON CHANDLER** Principal  
Chandler Associates Architecture Inc.  
B. ARCH, Architect AIBC, AAA, SAA, OAA, MRAIC

Sheldon Chandler, is a multi-disciplinary architect with a solid track record behind him and a vision ahead. His wealth of experience on projects involving developers, major tenant groups and municipal authorities has given him unique perspective.

Sheldon is known for architecture that works both elegantly and hard. He builds teams that understand real clients needs in demanding times. The result is Chandler Associates, a highly responsive and creative architectural firm based in Vancouver with projects throughout Western Canada.

Served as a member of the Vancouver Urban Design Panel & Development Permit Board;  
Member of the Richmond Advisory Design Panel
